

IMPACT START-UP CAPITAL

when, how and where to look for Impact Capital

Disclaimer: This map is meant to give you an indication of a typical investment trajectory. It is not meant as an investment advice and exceptions do exist. The capital providers mentioned are usually active in multiple categories depending on the phase and other maturity factors of your start-up. Placement on this map is indicative. Please ask for professional support when building your investment case. Initiative and concept by Impact Hub Amsterdam and Gemeente Amsterdam. Design by Remember to Play.
